

St. Thomas of Canterbury Parish ~ Family Faith Formation ~ 2019-20

Dear Parents and Guardians,

We look forward to being on this journey of faith with you and with your children. This journey of faith begins at our baptism...when we become a child of God and our born again with new life in Christ. Parents are the first teachers of the faith; that is why the home is called the “domestic church”. Learning about and nurturing our faith is a life-long process. Let us continue to journey and accompany one another along the way!

If we don't teach our children to follow Christ, the world will teach them not to.

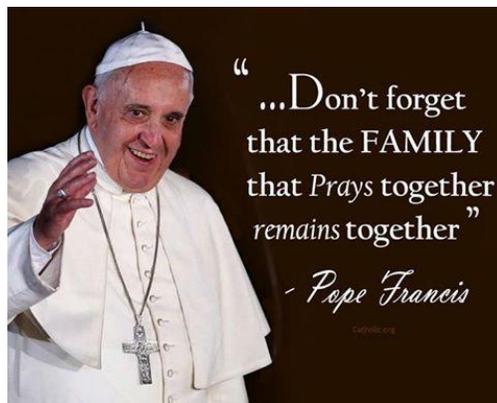

Our parish is very blessed to have devoted catechists who are committed and dedicated to teaching the faith through our shared stories and experiences of God. We feel it a blessing and privilege to share our Catholic faith with you and your children.

Would you please consider ministering to our children as a catechist or an assistant in the classroom? Perhaps you can help in the class from time to time? As catechists, we too continue to learn and grow as we share our faith.

Registration forms for faith formation classes are enclosed. Please have them ready for in-person registration the weekends of August 17/18 and *24/25 after every Mass in Becket Hall. If you have any questions about the registration process or the classes, please contact me. *(Aug 24 in church).

As we begin this new school year, pray together as a family and come to Mass and receive Jesus in the Eucharist. May we place God at the center of our lives and may we remember the Great Commandment that Jesus gives us: Love God and love your neighbor! May we encounter this love in ourselves and in one another!

Blessings to all!

Vicki Schwoob
Director of Family Faith Formation
